A Walk on the *Wildside*

Grab your best boots and let us guide you through the magnificent landscape surrounding our property. Our nature walks are perfect for all ages, whether it's a sunrise or sunset, we guarantee a moment of discovery, lots of learning and the finest vistas of Mother Nature.

NATURE WALK

90 mins

Embark on a self-guided nature exploration with our detailed map and soak in the serene beauty of West Sussex. This leisurely journey is crafted to deepen your connection with the environment. Begin by wandering through the medieval stonework and rose-covered arches at Amberley Castle, then venture into the picture-perfect village of Amberley. As you explore, you'll uncover charming, thatched roof cottages and a historic working pottery barn. Continue through the village to reach the Amberley Wildbrooks Nature Reserve, one of the UK's richest remaining wetlands, teeming with rare birds, insects, and plants.

A Moment in *Nature*

In the quiet grounds of Amberley Castle, step into a slower rhythm guided by age-old skills. Join expert crafters for a hands-on journey into heritage, where ancient techniques meet the stillness of the Sussex countryside. Shape your own spoon beside a crackling fire, or weave and paddle a coracle, built from scratch using time-honored practices. Offered year-round, these sessions invite you to step away from screens and schedules, and rediscover the joy of making, slowly, simply, and surrounded by nature.

CRAFT & PADDLE CORACLE-MAKING EXPERIENCE

£330

8 hours

Build your own traditional coracle in the shadow of Amberley Castle's ancient walls. Under the guidance of expert craftsman Keith Grimley, spend a full day learning how to shape, weave and waterproof this lightweight boat. Once complete, take to the castle's serene pond for a paddling lesson in your handmade vessel. Perfect for adventurers and heritage lovers alike, this is a once-in-a-lifetime opportunity to craft something extraordinary, and float away in it.
